Friday 25th May 2018, summer term, issue 2.

From the Headteacher

Value of the term...

Next term our whole school project is investigating the impact of plastic on the environment, which links to our whole school theme of Journeys.

All children will have a homework project for the half-term holiday, a letter was sent home yesterday and information is on the school website. Please encourage your child or children to complete one project, choosing an idea from the list of suggestions in the letter. There will be prizes for some of the projects and many will go on display at our exhibition at the end of the summer term.

Dinner Money

Parents please remember you must pay all dinner money in advance.

New development at 47/49 Pomeroy Street...

Yesterday I held a meeting with representatives from London Borough of Lewisham, Engie and Peabody Trust. Work has already started on preparing the site for the new development. Much of Kender Park will be out of action of the next two years. We have secured agreement for some of the equipment from the park to be transferred to the school; there is not a lot that we could use but the contractors know what we would like and will keep us fully informed.

Please be aware we are in touch with the contractors and aim to help minimise any disruption that may occur as a result of this building project, although you will appreciate that much of this is out of our control.

Attendance: please see the figures for last week below:

Attendance: This week: 95% - could be much, much better please!!

Rec: 90% **Yr1: 98%** Yr2: 92% Yr3: 94% Yr4: 97% Yr5: 93% Yr6: 94% - **well done Year One - leading the way, again!!!**

It has been another good week in school with lots of opportunities to celebrate learning and praise the effort of the children. I wish you all an enjoyable and restful half-term break and look forward to seeing you all in school on Monday 4th June.

Best wishes,

Keith Barr

(Headteacher)
