

20 September 2019

Dear mums, dads and carers

We are three weeks into a new a school year and our parent/ teacher association, the Friends of Kender are already looking ahead to plan events and raise money for the school. We need your help!!!

The current team of Friends of Kender are parents with children nearing the end of their learning journey at our school. Very soon this team will leave us. We need new parents to come and support the fabulous work that they do. This is an ideal time to step forward because any new volunteers would have a year to work alongside existing members, gaining understanding of how a typical year might work.

Very specifically we need a new chair of Friends of Kender. Someone who can drive this groups forward and continue the great work that has been undertaken over recent years. The first task would be to find a date and plan an International Lunch for our Kender community.

Are you this person?

So, if you think you would like to get involved with Friends of Kender and might even consider taking on one of the key roles please email SBM@kender.lewisham.sch.uk

If anyone would like to talk in a bit more detail about what might be involved, feel free to come and talk to me.

Yours sincerely

Keith Barr
Headteacher
