

## Pupil Premium funding 2019/20

Schools are given Pupil Premium funding of £1320 per pupil recorded as Ever6 FSM to be spent on educational provision within the school raising the attainment of disadvantaged pupils of all abilities to reach their potential. Money is allocated for children whose families are registered for FSM. This includes any child that has been registered for FSM at any stage during the past six years.

Each school must report to Governors and inspectors on how PPF is spent and its effectiveness in driving improvement.

Objectives in spending PPF are to ensure that:

- every child (FSM) makes at least two levels of progress; and
- any gap between National progress and National attainment figures of FSM and non-FSM is closed.

Please see below the breakdown of how we have spent our funding:

Speech and Language therapy	9,000
Learning mentor support	21,040
HLTA support	32,000
AHT support (pro rata)	10,000
Art teacher support (pro rata)	10,000
PiXL	2,500
Intervention HLTA	12,000
Booster classes	9,200
School Journey financial support	4,500
Pupil Welfare Officer	25,500
Admin release costs	1,500
Children's therapist	12,200
Staff training for interventions	15,000
SLAs: Drumbeat, SpLD, Ed Psych, Attendance and Welfare, New Woodlands	19,060
Secondary School Ready fund	3,440
Subsidies for breakfast/after-school clubs, school trip	500
HeyDay film projects	3,960
Total grant:	191,400

Results show that this investment had a dramatic impact on the results of pupils. Traditionally, FSM children have made slower progress than on-FSM children and the gap in achievement has been wide. At Kender Primary School we close this gap.
