Dear Mums, Dads and Carers,

Happy St Patrick's Day to you all!

Thank you to Jean Kelly, Rose's mum, who came into school and played the harp for the children. We all had our first harp lesson too!!! Please look out for pictures on the school website:

Next week we have Parents' Evening meetings on Tuesday and Thursday; Mian class have theirs on Tuesday and Wednesday and Year Six will be the following week. Please sign up for an appointment, time slots can be found on Arbor. These meetings are really important opportunities to find out how well your child is progressing and we want as many classes with 100% parent attendance.

Class photos will also be happening next week on Wednesday. On Monday we will be taking photographs around the school for the school website; thank you to those parents who have indicated that they do not wish their child to appear on the school site; please contact the school office if you do not want your child's photograph to be taken.

Garden Club for children and parents will start again tomorrow. If you have some spare time please join us from 10.00am. Children must be accompanied by their parent/carer.

Have a restful weekend and I'll see you on Monday; I'll be on the Briant Street gate.

PE

The days we have P.E. can sometimes vary so please ensure your child has their P.E. kit on a Monday and takes it home on a Friday.

Reading

Please read at home every day. Your child should bring their reading record and book into school every day. We will change books once a week. We also have daily whole Class focused Guided lessons Reading.

Homework

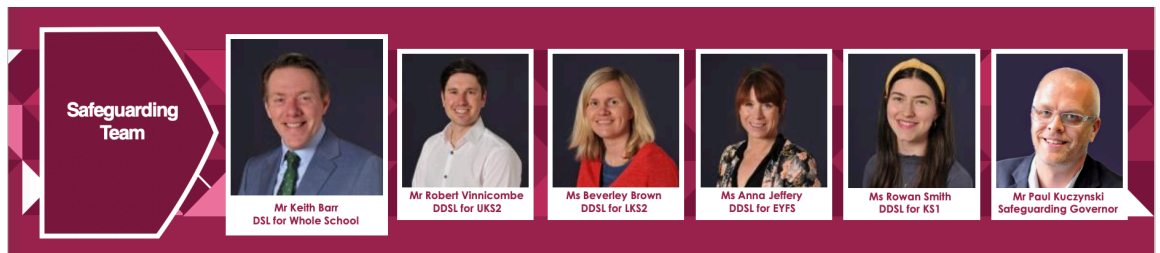

As well as reading, homework is assigned each week on Fridays and should be returned to school by Wednesday the following week.

From the Deputy Headteacher...

Next week we will be doing our mock SATS exams with Year 6. We are aiming to. Mirror the conditions of the SATS exams themselves as closely as possible so that our children are familiarised with the processes. This will help them with their confidence during the real thing and also reduce pre-exam nerves. The mock SATS will therefore be from Tuesday - Friday and I am sure you will join with me in wishing our children the best of luck. We are looking forward to seeing them show us the results of their hard work.

I would also like to thank parents and carers who have been supporting in our children with their booster classes: it is very much appreciated by the whole of the Year 6 team.

Kind regards,
Robert Vinnicombe
