Our Park Hatcham Gardens

Everyone knows Hatcham Gardens as the boarded up park in front of our school (Kender), but I'm going to tell you the true story.

A few years ago, probably before you were born, Hatcham Gardens was amazing with trees, climbing frames and many other things. But...then...then...then...well Peabody (a company who make flats and houses) I think you might have heard of them, anyway Peabody asked Kender if we wouldn't mind if they took down our park for a while because they wanted to build some new flats and (obvs) we said yes, plus they said they would build our park again but bigger and better.

BUT ONE PROBLEM!!! They don't rebuild our park!!!!!!!!!! (Oh no!)

Years passed, Mr Barr had soooooo many meetings and sent furious text messages saying it was not fair. The one day everything changed. There was meeting with Peabody, a Lewisham Council representative and the school governors and that changed everything, now they have started to clear the land around the flats well we think (they might be making huge mud pies) but hopefully we will have a new park by the summer!

P.S.: today I looked out of the window and saw that they were really making a start to our new park.

Football at Kender

Football club is on Wednesday after school! On Friday for Year Six.

The football coach is Coach Ollie.

There's a football rota for every year you are in.

If you're a pro at football you can play a match with other schools; Kender boys finished 5th in the league!

Some of your friends might be in football club.
