3 reasons why your PTA really matters

“I love to see my mum in school helping at the fun events the PTA run for us.”

1. For the kids

Being active in the PTA not only improves your child's school but makes you an excellent role model. Research confirms what we've always known: when children see us involved in their school and learning, it encourages them to do their best.

“Through being a part of the PTA I've really got to know the school and have confidence in how to fit in.”

2. It builds trust

Becoming part of the PTA is a great way to get to know other parents and teachers while gaining an insight into the workings of the school. With parents and teachers striving towards the same goals, the parent group is instrumental in making a real difference in the school life of all children.

“It's great that we finally have some decent kit at school for a change.”

3. It raises welcome funds

Whether it's creating an outdoor classroom, stocking the science lab with new Bunsen burners or arranging a visit from a top author, the funds raised from your activities impact massively on the opportunities and experiences of all the children at school.
