

**We NEED you.**  
**Can you HELP?**

**Friday 12th January 2024**

Calling all children and parents...

**We need your help.**

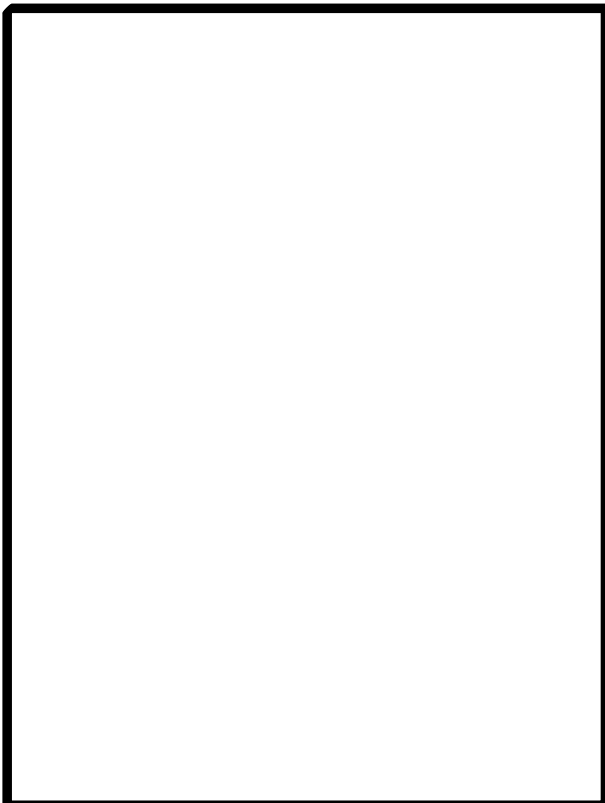

Kender school will celebrate a significant milestone this year. Kender turns 150 on 8th June. Kender Street school opened on 8th June 1874.

**We need a 150 Kender school logo.**

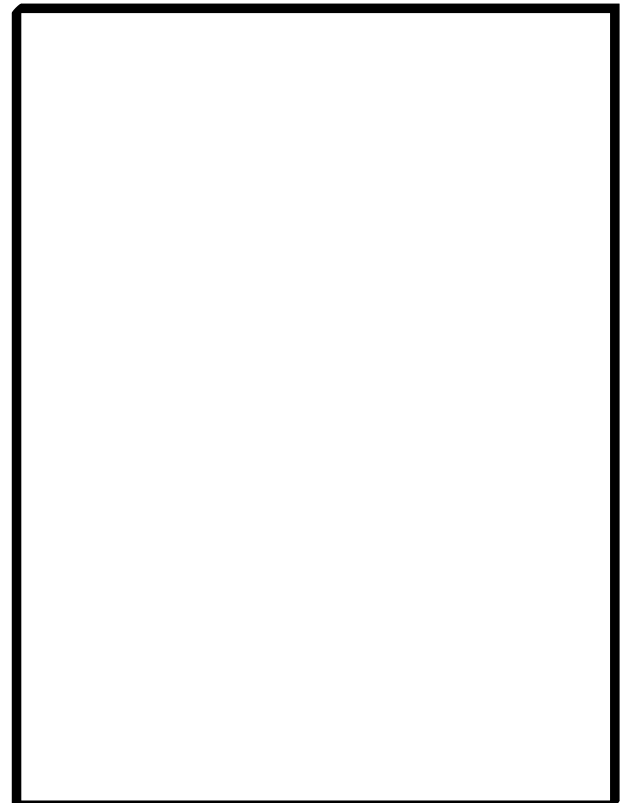

I have put a logo on the newsletter this week, but we need a proper Kender 150 logo. This is your chance to be a designer and create a logo for us to feature on all of our publicity.

Please submit your design by Wednesday 17th January.
