## Vision

At Kender we promote positive attitudes towards each other through the Kender Values. We provide a curriculum that is rich and diverse, all our curriculum areas are underpinned by our curriculum aims which are:

- To develop and build upon knowledge and skills year upon year.
- To raise aspiration so that children can reach their full potential.
- To develop self confidence, self belief and self control.
- To ensure that children are able to develop their own identity and are provided with role models who can help them to do this.
- To provide a wealth of experiences both academic and practical so that children can develop life skills.
- To engage with the local community and make links with the local area to enrich then children's learning and experience.
- To embed the Kender Values throughout the curriculum as they encompass all that we are trying to achieve.
