

Statement of Behaviour Principles

Approved: Summer 2026

We have clear expectations for behaviour at Kender and we expect children and adults to follow the school rules and show the school values at all times. These expectations are the same both in the school and outside of the school.

- 1. We show respect for others and our school**
- 2. We do our best learning, showing resilience**
- 3. We are always ready and take responsibility for our actions.**

Our core values are

Respect, Readiness and Resilience

Kender is a caring and nurturing school and we treat each child as an individual. We expect that all children will abide by the rules and excel in their learning.

However, we understand that at times children will face challenges. Some children will have an inner resilience to cope with these challenges. Other children will need extra support in order to cope with the demands of the school day, their home life and social interaction.

We recognise that consistency is key to promoting positive behaviour in the school to promote the consistency we expect that staff follow these principles:

- Children have the right to feel safe and respected
- behaviour expectations are consistent and fair
- discrimination is not tolerated
- staff model expected behaviour
- Suspensions & Exclusions are a last resort
- Children are encouraged to be independent, taking responsibility for their actions
- families are involved in supporting behaviour

For further guidance: see Behaviour Policy 2026 to 2028
